CITY AND COUNTY OFFICIAL PAPER

DANIEL DOUGHERTY says the State of Pennsylvania is politically the most contemptible, corrupt, most diabolical vile and most notoriously dirty place of territory on the face of the earth," which proves that Arizona is not, according to Daniel's theory, the wers place in the world after all.

THE recent decision of the Supreme Court of the United States that it had no juris liction in the case of the drummer who appealed from the Supreme Court of Montana where it was decided that a drummer's license was legally exacted, is another instance of Old Chap's theory, that municipalities can run things to suit themselves.

THE press of Phenix still persists in booming the new camp, and reiterate all the stories told about the fabulous wealth in sight. By doing this they are doing their town az injury and causing a heavy expense to many poor persons who are selling out their effects for a sou and rushing to the new Eldorado. Several parties have gone from Tombstone and returned the ers should wipe the hay seed out of their eyes and look around before continuing any longer this plan of campaign.

THERE are better opportunities offered to the prospector in Tombstone distriet than any other portion of Arizona Territory. The large area of good ground lying absolutely idle awaiting but for the intelligent and persevering miner to bring to light its hidden treasure cannot be equalled in extent by any other district, new or old in the Territory. The cause for the present apathy shown in Tombstone is due principally to the fact that distance lends enchantment, and that the reported rich strikes on the outside causes a restless feeling to exist among those who are in a position to get up and start at a moment's notice. The a majority of both houses, and will be turned with their minds made up to morrow. stay should be sufficient evidence however that there is at home ample opportunity for the investment of muscle and energy without the hardships at- Illinois, called up as a special order tached to it of rolling up in a Tucson blanket and living on Kansas chicken and Arizona strawberries.
